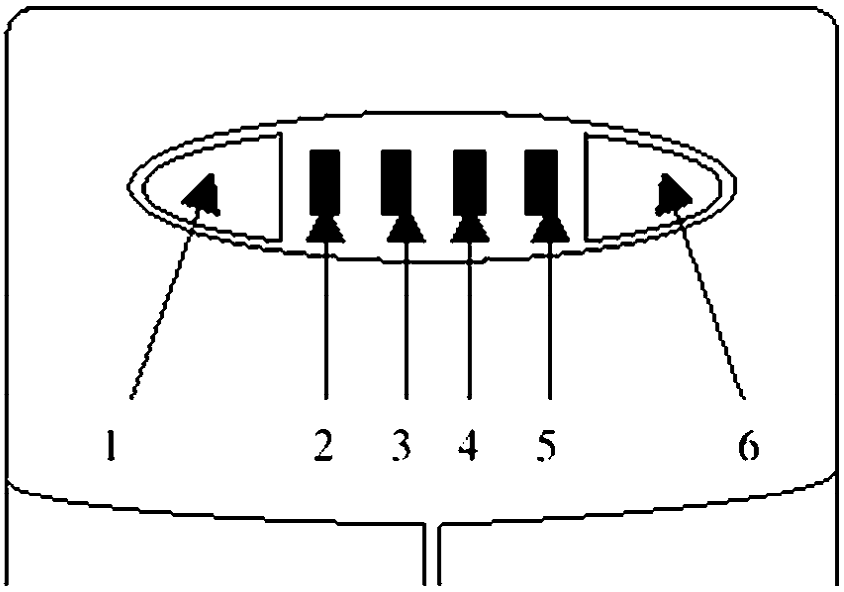
COMPAQ PRO UPS 500
(610-2311) FRONT PANEL FB# 44204



Front panel controls and indicators

1. ON/STANDBY button.
2. LINE STATUS indicator.
3. ON BATTERY indicator.
4. BATTERY LOW/REPLACE indicator.
5. UPS LOAD indicator.
6. TEST/ALARM RESET button.

Compaq Pro UPS 500 models feature the same front panel which includes the controls required to select UPS Operating Modes, initiate a self-test of the UPS battery and silence an audio alarm. The front panel also includes indicator lights that alert you to UPS operating conditions.
